## HOW CAN I KEEP THE COST DOWN?

Prices for florals can vary greatly depending on type of flowers, size of arrangements and intricacy of design. Here are just a couple of ways to keep the price down:

- Choose in-season flowers
- Think “dual purpose”. An archway swag can be re-purposed as a head table garland. Ceremony flowers can glam up the dessert table.
- Bring us your vases for table centerpieces! Mis-matched is fine as long as they’re fabulous! ...or pick up vases on the cheap (we won’t tell!) such as bowl or cube vases. We don’t charge ya for the vase, then. ;)
- Buy bulk greenery and lay on tables yourself for an instant garland

## DELIVERY & SET-UP . . .

---

**Delivery**

Starts at \$35. Usually \$50 within YYC limits.

**Set-up**

Can do. Prices vary greatly depending on extent of set-up & location.

**Pick-up**

FREE! We'll package it all and get it ready to go! Just have someone show up with an SUV and we'll check the items off together as they go into the truck!

# WHAT'S THE BUZZ?

Real people. Real experiences.

## **Michelle C. - Lives in Texas, Eloped in Banff**

"Flower Chix is amazing. The flowers were beautiful and exactly what I asked for. So professional and easy to work with. Price was great."

## **Sidney O. - Our wedding flowers were absolutely beautiful**

"Flower Chix were very easy to work with and created exactly what I had visioned and more!! Our wedding flowers were absolutely beautiful and our guests raced over them!! I am over the moon with what they did for us!! I would definitely recommend Flower Chix!!"

## **Joanne Y. - Helpful, resourceful, creative, beautiful vision of the flowers I imagined**

"Kimberly's wonderful talent for creating magical arrangements from random pictures and descriptive words from my mind's eye (of which I struggled to convey to her) was amazing. With an extremely tight timeline, she found the perfectly sized vases to build a gorgeous trio (to partner with our own centerpieces) for our tables. ....maybe she has a crystal ball in the back of this magic little flower shop!"
